REPORTED BOMBING OF ARGENTINE  
FOREIGN MINISTRY BUILDING, PLAZA  
SAN MARTIN, 4/15/75

(S) (U) On 4/16/75, the Federal Police of Argentina (FPA) (S) (U) advised that there had been no bombing incident at the Argentine Foreign Ministry on 4/15/75. The FPA advised that a bomb had (S) (U) detonated during the early morning hours of 4/15/75 at Plaza Basavilbaso 1215, which is right across the street from the Foreign Ministry Building. The FPA advised that this location (S) (U) is the residence of CARLOS BLAQUIER, the Director of Ledesma Sugar Refinery. The FPA advised that their explosives experts (S) (U) detonated the bomb after it had been discovered, and that the resulting blast shattered several windows in the Foreign Ministry Building across the street. The FPA noted that several other (S) (U) bomb attacks had been carried out during the morning of 4/15/75 against Ledesma interests in the Federal Capital. (S) (U)
